

Housing, Infrastructure and Services – Councillor to Be Confirmed

	Cat		Issue/opportunity	Update & Action Taken	Status
1	C	4	Difficulties with Services – The vast majority of respondents (87%) did not experience any difficulties with local Services.	No specific action taken. Am request for assistance will be dealt with as normal Parish Council business.	Complete / Monitoring
2	A	1	Group supply of energy service - Significant support for residents to group together for cost efficient energy/service supply for oil (43%), wood (23%).	Previous portfolio holder looked at the Devon Communities Together Energy Collective. This is due to relaunch later this year to provide a range of discounted services.	In Progress
3	A	1	Problems with parking - A large majority of respondents (79%) experienced no problems with parking. A few specific areas of the Parish were identified where parking was an issue.	No suitable area is currently available for additional parking. Any future issues or concerns will be dealt with as normal Parish Council business.	Complete / Monitoring
4	B	2	Condition of roads/lanes etc - 50% of respondents considered the condition to be suitable with 39% raising particular issues.	Incidents reported as and when found and dealt with as normal Council business. Also See Item 19	See Item 19
5	C	3	Allotments - Minimal interest (8%) in renting of possible allotments.	No request for provision of allotments has been received and no suitable land is currently available.	Complete / Monitoring
6	C	1	Identify with the Parish - 56% of respondents live in Ideford village. 14% of the total did not feel part of the Parish.	Continued enhancement of communication with Parishioners via improved website, Parish Newsletter, Notice Boards and Social Media	Complete / Monitoring
7	A	1	Affordable Housing - The opinion of respondents considered the Broadlands area (43%), the Glebe Land area (19%) and both areas (38%) as most appropriate for development.	Public Presentation to be arranged with DCT & TDC Housing Enablers on 7 Sep 16. Cllr Hull & Fox now lead	In Progress
Item added after 2 Feb 16 Parish Council Meeting			Community Flooding & Drainage – To consider long term protective and preventative measures as well as drain clearance	Previous portfolio holder looked at Environment Agency Community and Personal Flood Planning Templates and spoke with parishioners to discuss specific issues.	

Community Services – Cllr Liz Hill & Cllr Angie Carter-Woodwark

	Cat		Issue/opportunity	Update & Action Taken	Status
8	B	2	Parish Community Shop – 51% of respondents would use a shop for convenience purchases, with only 12% on a day to day basis and 31% rarely.		
9	A	2	Farmers' Market in Parish - 64% of respondents would use a Farmers Market on a regular basis. Producers and small business stallholders have indicated an interest.	Investigating smallholders and producers who might be interested	In Progress
10	B	2	Village Hall facilities/activities – If a wider range of facilities/activities were available, 41% of respondents would make use of them.		
11	B	2	Community Events - 59% of respondents would like to see more Community events in the Parish.		
12	C	2	Opportunity to get involved - 68% of respondents feel that they have enough opportunity to get involved with events.		
13	C	4	Community Support Services – The vast majority (76%) feel that they have no difficulty in obtaining health or community support services.		
14	A	1	Creation of wildlife habitats - Extensive support for the creation of habitats in various areas of the Parish.	Discussing Churchyard Environmental Project with PCC.	In Progress
15	C	4	Ideford Common - 60% of respondents felt that the use and condition of the land known as Ideford Common, was suitable.	Now have a named point of contact within the TDC Greenspaces Team and will receive quarterly events leaflet for distribution.	Complete / Monitoring
20	B	2	Neighbourhood Watch - 53% of respondents would like a Watch set up in the Parish.	Teignbridge NHW Advisor gave presentation on 20 Apr 16. Item placed in Parish Newsletter – no volunteers have come forward.	In Progress
21	C	4	Community Police Team contact - With 81% knowing how to contact the Police team, further action is not deemed necessary.	Continue to publicise contact details of Community Police Team	Complete / Monitoring
22	C	4	The Parish-a safe place to live - 96% of respondents feel that the Parish is a safe place to live.	Will link this action with Neighbourhood Watch (Action 20)	Complete / Monitoring

Transport – Cllr Helen Bellamy

	Cat		Issue/opportunity	Update & Action Taken	Status
16	C	3	Provision of Local Bus service - There was little support for a service, with 37% envisaging occasional use, 12% on a daily/weekly basis and 55% never.	Further Devon County Council subsidy cut backs mean provision of bus service unlikely. Should demand increase will investigate private provider or enhance Ring & Ride Service.	Complete / Monitoring
17	C	4	Community Transport Service - The vast majority of respondents (97%) never use the available service.	Have spoken with our current Ring & Ride provider and will continue to promote their service via Parish Newsletter. Will respond to any additional request for service as required.	Complete / Monitoring
18	C	4	School Transport - There was not significant comment concerning school transport to justify further action.	Have sent email to parents using the service to say that Council takes safety of Parish Children seriously and that any concerns will be dealt with as normal Council business when raised.	Complete / Monitoring
19	A	1	Speeding traffic measures - A popular issue with 67% supporting reduced speed limits and 33% in favour of Speed Indicator Displays.	List of issues being draw up ahead of meeting with Neighbourhood Highways Officer (date to be confirmed)	In Progress

Environment – Cllr Anthony French

	Cat		Issue/opportunity	Update & Action Taken	Status
23	A	1	Renewable Energy Initiatives - 64% believe that the Parish should explore renewable energy initiatives for the benefit of the Parish.		
24	B	2	Rubbish/dog waste bins - An equal split of 33% in favour, 33% not and 34% with no opinion on need for more dog waste bins	Cost of a dog waste bin is £190 + VAT for the bin and post plus £86 for installation. The cost of emptying a bin is currently £7.06 per emptying, but this cost increases each April	Ongoing
25	B	2	Fly tipping - 41% of respondents felt that there was a problem with Fly tipping in the Parish.	Incidents reported as and when found and dealt with as normal Council business	Complete / Monitoring
26	B	2	Waste Collection - Popular support (49%) was shown for the Community skip collection, with 28% in favour of a composting scheme.	Parish will continue to bid for a Community Skip from TDC each year. 2 Jul 16 now confirmed.	Complete / Monitoring

Communication Technology – Cllr Tom Hill

	Cat		Issue/opportunity	Update & Action Taken	Status
