

THE GENERAL POWER OF COMPETENCE

1. BACKGROUND

- 1.1 Parish (and latterly Town) Councils are corporate bodies that have accumulated powers through legislation since 1894. Their powers were constrained to specific and appropriate legislation. This means that before undertaking anything, members must be satisfied that the Council has the power (under a specified statute) to undertake that activity.
- 1.2 Parish councils have many specific powers (examples can be found in your Good Councillor Guide 2016 Edition) in addition to section 137 of the Local Government Act 1972. Section 137 permits expenditure up to certain limits for “purposes not otherwise authorised”. Typically, the expenditure on grants and sponsorship is covered by section 137 of the Local Government Act, 1972.
- 1.3 Despite the wide range of powers, parish councils are always at risk of being challenged, especially if they undertake an unusual activity.
- 1.4 In consequence, the Government included a “general power of competence” in the Localism Act 2011 (Part 1, Chapter 1, ss 1-8). It was brought into force by SI 965 the Parish Councils (General Power of Competence) (Prescribed Conditions) Order 2012 in April 2012.

2. LEGISLATIVE BACKGROUND

- 2.1 The intention of the general power of competence legislation is that eligible local authorities will no longer have to identify specific powers to undertake an activity. As a result, the risk of legal challenge will be reduced. It is stated in the above Statutory Instrument that:

“The Government’s intention in providing eligible parish councils with the general power of competency is to better enable them to take on their enhanced role and allow them to do things they have previously been unable to do under existing powers”.

- 2.2 Under the new legislation, eligible councils have “the power to do anything that individuals generally may do” as long as they do not break other laws. It is intended to be the power of first, not last, resort. The eligible council has to ask itself if an individual is allowed to do it. If the answer is “yes”, then a parish council is normally permitted to act in the same way.

3. TYPES OF ACTIVITIES

- 3.1 Although the Government has given scant guidance on the operation of the new power, some new activities covered by the legislation include:

- Running a community shop or post office
- Lending or investing money
- Establishing a company or co-operative society to trade and engage in commercial activity
- Establishing a company to provide services such as local transport
- Providing grants to individuals.

- 3.2 The power is not restricted to use within the Parish, an eligible council can use it anywhere.

4. RESTRICTIONS AND RISKS

- 4.1 The only real limitation is that the general power of competence cannot be used to circumvent an existing restriction in an existing specific power. The general power of competence is a power; it cannot be used to raise the precept.

- 4.2 All existing duties remain in place for example the duty to have regard to the likely effect on crime, disorder and biodiversity. There are also many existing procedural and financial duties that remain in place for the regulation of governance, for example there can be no delegation to a single councillor. Furthermore, councils must comply with relevant existing legislation such as employment law, health and safety, equality legislation and duties relating to data protection and freedom of information.
- 4.3 If another council has a statutory duty to provide a service for example education services, social service, highways, footpaths and rights of way, it remains their duty to provide it. Nonetheless, eligible councils may assist. The eligible council would need to ask itself whether an individual, private company or community trust could help. If the answer is “yes”, the council can assist.
- 4.4 Whilst councils are encouraged to be innovative, they should be aware of the risks of:
- Being challenged
 - Their trading activities damaging other local enterprises
 - Damage to the council’s reputation and public money if a project or investment goes wrong.

5. LOCAL GOVERNMENT ACT 1972 – Section 137

- 5.1 Expenditure under the Local Government Act (s137) is limited and has to be budgeted for separately. Expenditure is restricted in that it cannot be used to give money to individuals and the amounts must be commensurate with the benefit. Section 137 is therefore often referred to as a power of last resort.
- 5.2 A council that is eligible to use the general power of competence can no longer use Section 137 as a power for taking action for the benefit of the area. However, Section 137 (3) which permits the council to contribute to UK charities, public sector funds and public appeals remains in place.

6. ELIGIBILITY

- 6.1 There are three conditions for eligibility that are set out in the Statutory Instrument:

a. Resolution:

The Council must resolve at a meeting that it meets the criteria for eligibility relating to the electoral mandate and relevant training of the clerk.

b. Electoral Mandate:

At the time the resolution is passed, at least two thirds of the council must hold office as a result of being declared elected (i.e. not co-opted). For Ideford Parish Council 5 of the 7 Councillors must have been elected.

c. Qualified Clerk

At the time that the resolution is passed, the Parish Clerk must hold a recognised professional qualification:

- The Certificate in Local Council Administration (CiLCA);
- The Certificate of Higher Education in Local Policy;
- The Certificate of Higher Education in Local Council Administration; or
- The first level of the foundation degree in Community Engagement and Governance awarded by the University of Gloucestershire or its successor qualifications

- 6.2 Having decided at a full meeting of the council that it meets the criteria for eligibility at that particular time, a resolution to this effect must be clearly written in the minutes. The council is then required to revisit that decision and make a new resolution at every ‘relevant’ annual meeting of the council to confirm that it still meets the criteria (if it does). A ‘relevant’ annual meeting is the annual meeting of the council after the next ordinary election has taken place. The next ‘relevant’ date for Ideford Parish Council is May 2019.

- 6.3 In consequence, eligibility remains in place until the 'relevant' annual meeting even if the conditions of the eligibility criteria have changed. If the council loses its qualified clerk or has insufficient elected councillors it must also record its ineligibility at the next 'relevant' meeting.
- 6.4 There is no requirement for members to be trained in the general power of competence.
- 6.5 Ideford Parish Council satisfies all the conditions as:
- Of the 7 Councillors - 6 have been elected and has been 1 co-opted.
 - The Parish Clerk holds the CiLCA Qualification, passing with Distinction on 2 December 2016. A copy for the qualification certificate is attached to this report.

7. RECOMMENDATION

- 7.1 It is recommended that Parish Councillors consider this report and pass the following resolution:

“The Parish Council resolves from 1 February 2017, until the next relevant Annual Meeting of the Council, that having met the conditions of eligibility as defined in the Localism Act 2011 and SI 965 The Parish Councils (General Power of Competence)(Prescribed Conditions) Order 2012, to adopt the General Power of Competence”.
