

Dear Friends,

Imagine my concern when I opened my 2018 diary and saw that the date of the beginning of Lent, Ash Wednesday, fell plumb in the middle of February, on Wednesday 14th February: Valentine's Day!

I was relieved that I don't have shares in confectionary firms, as the sales of boxes of chocolates will plummet this year . . . or perhaps not.

In fact, the whole idea of 'Lenten Observance'; just being about 'giving up chocolate for Lent' is no longer current. Rather, it's about eating chocolate that has been produced ethically: 'Divine' chocolate, or any other Fairtrade chocolate.

And, as with the 'Reverse Advent Calendars' where each window was an empty space in a box to put something in to give to a Foodbank collection or similar, so too the 40 days of Lent can be the opportunity to 'give out' rather than 'give up'.

So, this month's prayer is from a Grace before meals (but is transferable),

"God, you have given me so much;  
Give me one thing more: a generous heart. Amen"

With love,  
Stephen.

P.S. Our churches have Foodbank collection boxes, as well as the supermarkets.

### **Ideford Church Bells**

You may have noticed that our lovely church bells have been ringing out over the village a little more often recently. We have been very lucky that some of our fellow ringers from Kingsteignton have been joining us over the last few months and will be ringing regularly twice a month on Sundays. On the first Sunday each month, ringing will be at the end of the service, from approx. 11:15, for about half an hour, and on the fourth Sunday, the bells will be heard for three quarters of an hour prior to the 6:30pm service. Our usual Thursday evening practices will continue as often as we can, but we are short of ringers for these days, so if anyone would like to join us, they would be most welcome. Just give me a call to check in advance.

David Aylmore. (01626 852259)

#### **STEPPING STONES**

A new day conference to help us better connect with young people in our community is being piloted. These events are called **Stepping Stones**.

How to relate, connect, or refresh our work with young people; if you have ever uttered or heard the words: "It would be lovely to see more young people in church", then this day could be for you. . . . You might want to be able to pray more effectively, or develop your vision for youth work, or, you might be frustrated with your desire to start some youth work. This really could be for ANYONE. There will be a number of speakers throughout the day who will be able to share their stories and celebrations of the small growth that is the hallmark of successful relational youth work. We can often be overwhelmed at the scope of some of the 'big' youth work that we see around us, but successful doesn't have to equal big. Stepping Stones will give you a chance to find out what that might look like for your community.

## Our Local Expert.

This is a free guide of businesses that have been used and recommended by local people. Readers know they can expect a trustworthy and good quality service from anyone listed - reducing the fear of 'cowboys' and 'rogue traders'.

The free blue booklet was distributed around Teignbridge, Torbay and surrounding areas with your post in October. Anyone who hasn't received the 2017-18 guide can contact me and I will be happy to post out a free copy: Emma Leeson-Kings, 01626 249979,

[Emma@OurLocalExpert.co.uk](mailto:Emma@OurLocalExpert.co.uk)

We always ask for feedback about businesses we feature, and suggestions of businesses you think should feature, to keep the guide accurate for you! Businesses you would be happy letting into your home, businesses you would recommend to friends and neighbours.

It also helps the good local businesses who feature - because they win new customers!

If you send feedback about local businesses that you recommend to the same contact details above, you could win £50 to spend in the No.7 Wine Bar overlooking the harbour in Torquay.

## CHRISTMAS TIME AT ST. MARY'S

When reading this, Christmas may seem a long ago memory. However, I thought it appropriate just to record thanks to everyone who was involved in organising and supporting the whole range of activities which contributed to making Christmas 2017 special.

Starting with the highly successful "Countdown to Christmas" lunch which raised £900 for church funds, but more than that was a hugely successful village community fun event.

The Messy Church once again proved how simple craft based activities, and storytelling can engage young children and their families in the Christmas story and we look forward to more Messy Church events during 2018 if Liz and Helen are kind enough and have the energy to be involved.

The Carol Service was once again a highlight for many people and particular thanks goes to The Good Company Singers who acted as the core of our choir and to Sue Harvey who made a guest appearance as organist. It should not be underestimated what effort goes into arranging the service and we are particularly grateful to all those who read lessons and poems. Without Janet Aylmore's organisational and administrative brilliance, the whole event would falter.

The Crib Service on Christmas Eve was magical with so many families in attendance and thanks to Helen for this service and for conducting the simple communion afterwards.

Instead of a formal midnight service on Christmas Eve, the Ideford Bell Ringers organised an informal service to ring in Christmas Day and well done to them all for their enthusiasm and for the 29 people who came to the event.

And then on Christmas Day, the informal service organised and led by Vicky Gardner was once again a great success.

Let's also say thanks to all the team who arranged the flowers over the Christmas, in the church and for the decoration of the magnificent Christmas tree once again kindly donated by Liz and David Hill

## **DEVON LOVES DOGS**

The Village Green committee have been made aware of a couple of recent incidents involving dogs and dog mess on the village green. We would like to remind everyone that the village green is for the whole community, and the community should be able to use it safely. But obviously if dogs continue to cause a problem, this may need to be reviewed.

Therefore, on a positive note the village green committee are supporting the Devon Loves Dogs, 4 paws code which encourages responsible dog ownership.

To further support this we are running a poster competition open to everyone.

The poster will be about responsible dog use of the village green.

Entries will need to be received by the 1st March. The poster will then be printed and placed around the village green.

Entries can be passed to any of the Village Green committee:

Tim Coleridge, Anthony French, Lynn Edwards, Becks Jones, Kevin Lovell, Suzanne Hill or Jane Hill.

## **Bishopsteignton School seeks governor**

Bishopsteignton Primary School has exciting times ahead. It expanded to seven classes in 2016 to cater for 210 children and the school recently received a good rating from an Ofsted inspection. The school is set for a bright future but needs support from the community to help achieve our vision of the very best outcomes for all our pupils. We are looking to fill a co-opted governor vacancy on our board of governors.

Governors are volunteers who offer a range of skills to the school from education, to premises and business experience, such as personnel, finance. We are looking for enthusiastic people who can spare some free time and have a skill that could benefit our school. Governors do receive training from the school and Devon County.

We were inspected by Ofsted in March 2017 and received a good rating, being praised for many areas within the school. Our mission is to help the school sustain this positive growth and achievement.

If you would like to find out more about becoming a governor at Bishopsteignton School, please contact Chair of Governors, Carol Roberts on [chair@bishopschool.co.uk](mailto:chair@bishopschool.co.uk) or contact the school office on 01626 775873. To find out more about the school, visit: [www.bishopsteignton.devon.sch.uk](http://www.bishopsteignton.devon.sch.uk)

## **ADVICE ON TAP**

Each year, 20,000 people in Devon and Cornwall save an average of £300-£400 per household just by having a water meter fitted.

At South West Water, we have advisors who will help you to find out if a water meter could save you money and they will help you with the necessary forms if you want to switch. It's free and if, within 24 months, you feel it's not right for you, you can go back to an unmeasured charge.

The Water Sure tariff may help you to reduce your bill if you have a water meter and receive certain benefits, and if someone in your home has a medical condition that means extra water has to be used, or if you have three or more children living with you.

The Water Care Tariff is for our metered customers who are on a very low income. To qualify, you must be receiving one of the following means tested benefits.

- Housing Benefit
- Income Based Job Seekers Allowance
- Income Based Employment Support Allowance
- Income Support
- Guaranteed Credit Element of Pension Credit
- Universal Credit (housing element)

The tariff offers a discount between 15-50% off your water bill. An income assessment is carried out to determine your eligibility.

For more information or to receive an application form for one of our special tariffs, call our Accounts Helpline on 0344 346 1010.

If you are struggling to pay your water bill, please do not ignore it. You can contact our Helpline on 0800 083 0283 and we can talk through the different options that are available to help you.

## **Advertising in the Parish News**

During the last few months of 2017, I received several requests for 'one off' adverts for local small businesses. I am happy to include these, but in fairness to our regular advertisers, in future there will be a small charge. I am happy to include a short, one off introduction for any new regular advertisers (see page 12).

Obviously local/charitable events, small private for sale/wanted adverts and items of general interest or public information will continue to be published free of charge.

## **Bishopsteignton Pre-School Playgroup**

We have had an exciting start to our new Academic year with a new Manager, Julie Farrer, taking up the reins. Julie has settled in really well and is a very welcoming face so please do pop in or give her a call with any questions, or if there is any information you may need.

In October we held a fundraising Hallowe'en Disco at the Community Centre. The children had a fabulous time and showed off some fantastically scary costumes!

We held our AGM in November and, as a result, we have a great committee to support us throughout the coming year. We are always very keen to attract new faces to our meetings and to be part of the pre-school in as big or as small a way as is possible. Please contact the pre-school directly if you think this is something for you!

Our monthly Paperchase continues to be a vital part of our fundraising and it is being really well supported by a wealth of families on the 'collecting rota'. Thank you to all involved. A massive thank you also, to all the residents of Bishopsteignton (and surrounding areas) who hoard their paper and cardboard for our collections. We are very grateful to you all.

By the time you read this, we will have enjoyed our Christmas celebrations, to include a Christmas Party and Christmas Raffle, which we are all looking forward to.

Fundraising plans for 2018 include our annual Easter Fayre, the return of the Fashion Show and our very popular Wheels and Ride Event. Watch this space for more details.

Thank you again for everyone's ongoing support for our fantastic pre-school, a charity organisation which relies on fundraising to ensure its presence in our wonderful community.
